### KITTY CLIVE, OR THE FAIR SONGSTER

BERTA JONCUS

Kitty Clive (1711-1785) was a top London stage star. Singing powered her ascent and, for twenty years, was foundational to her success as she came to dominate spoken as well as musical comedy. Her protean powers transfixed audiences, whether in low-style productions or in works by masters like Purcell, Shakespeare, and Dryden. In the 1740s, critical opinion turned against Clive, she quit serious song and took to caricaturing herself on stage. Clive's career reveals to us gorgeous song otherwise lost. For music historians, theatre scholars, and anyone curious about performance history and star production in eighteenth-century Britain, her story is not to be missed.

### SELECTED WORKS BY J. M. R. LENZ

Plays, Stories, Essays, and Poems

J. M. R. LENZ

Edited/translated MARTIN WAGNER  
& ELLWOOD WIGGINS

Crucial in the reinvention of German literature through the reception of Shakespeare, the works of *Sturm und Drang* writer J. M. R. Lenz (1751-1792) contain a scathing critique of the ethical, political, and sexual regimes prevailing in Central and Eastern Europe during Lenz's short lifetime. Both aesthetically and politically, Lenz strongly influenced later German writers – most notably Büchner and Brecht – and is still widely read and performed in Germany today.

This first representative English collection of Lenz's works is a valuable resource for students and anyone interested in German literature, the European Enlightenment, and the theory and practice of theater.

### SHAKESPEARE'S OVID AND THE SPECTRE OF THE MEDIEVAL

LINDSAY ANN REID

The debt owed by Shakespeare to Ovid is a major and important topic in scholarship. This book offers a fresh approach to the subject, in aiming to account for the Middle English literary lenses through which Shakespeare and his contemporaries often approached Greco-Roman mythology. Drawing its principal examples from *The Two Gentlemen of Verona*, *The Taming of the Shrew*, *Romeo and Juliet*, *Lucrece*, and *Twelfth Night*, it reinvestigates a selection of

moments in Shakespeare's works that have been widely identified in previous criticism as "Ovidian", uncovering how ostensibly classical references may be haunted by the under-acknowledged, spectral presences of medieval intertexts and traditions.

### AND THE SHARK, HE HAS TEETH

A Theater Producer's Notes

ERNST JOSEF AUFRICHT

Translated by BENJAMIN BLOCH

Introduction by MARC SILBERMAN

This is the first English translation of the memoirs of the great German-Jewish theater producer Ernst Josef Aufricht. The title alludes to Brecht and Weill's blockbuster *Threepenny Opera*, the premiere of which was produced by Aufricht in Berlin in 1928. The book is most notable for its insider's account of the Berlin theater scene of the late 1920s and early 30s. Its sweep, from Aufricht's school years to his long years of exile in France and America, gives a picture of a complex individual with a talent for survival and a winningly understated sense of humor.
